**APPLICATION OF THE ALLIANCE
FOR SOLAR CHOICE (TASC) FOR
LEAVE TO INTERVENE**

ORIGINAL

Pursuant to A.A.C. R14-3-105, The Alliance for Solar Choice ("TASC") hereby makes its Application for Leave to Intervene (the "Application") in the above captioned proceedings (the "Proceeding").

TASC is a solar energy advocacy association. TASC's membership represents the majority of the nation's rooftop solar market and includes SolarCity, Sungevity, Sunrun, Verengo, and Solar Universe. These companies are important stakeholders in Arizona's rooftop solar industry. Additionally, TASC's members are responsible for thousands of residential, school, church, government and commercial solar installation in the State. Together, TASC's members have brought hundreds of jobs and many tens of millions of dollars of investment to Arizona's cities and towns.

1 TASC is entitled to intervene because TASC is directly and substantially affected by the
2 Proceeding and TASC's intervention will not unduly broaden the issues presented. In support of
3 this Application, TASC submits the following information.

4
5 **I. TASC is Directly and Substantially Affected**

6 In this application Sulpher Springs Valley Electric Cooperative, Inc. ("SSVEC"), seeks to
7 charge customers for installing solar on their rooftops which will directly impact TASC member
8 companies and their customers.

9
10 **II. TASC's Intervention can Assist the Commission**

11 TASC is uniquely well positioned to offer insight to assist the Commission in its
12 evaluation of the issues in the Proceedings.

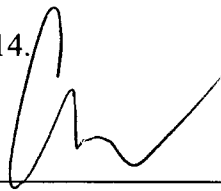

13
14 **III. TASC's Intervention Will Not Expand These Proceedings**

15 Granting TASC intervenor status will not delay this proceeding, unduly broaden the
16 issues, or prejudice other parties to the Docket.

17
18 Service of all documents or pleadings should be made to TASC counsel at the following
